We've Only

Just Begun

To

Live . . .

White Lace

and Promises

For Luck

A Kiss

And We're On Our Way!

Foreword

We have tried to show that life at Chesnee High School is one of many beginnings. Each new day has brought us valuable experiences in living, ones that we hope will prove to help us in the future.

The 1973 Senior Class presents this annual in an attempt to make this year live on in our memory.

Alma Mater

Our strong band shall ne'er be broken

It shall never die

For surpassing wealth unspoken

Sealed by friendship's tie.

Mem'ries leaflets close shall twine

Around our hearts for aye

And waft us back o'er life's broad track

To pleasures long gone by.

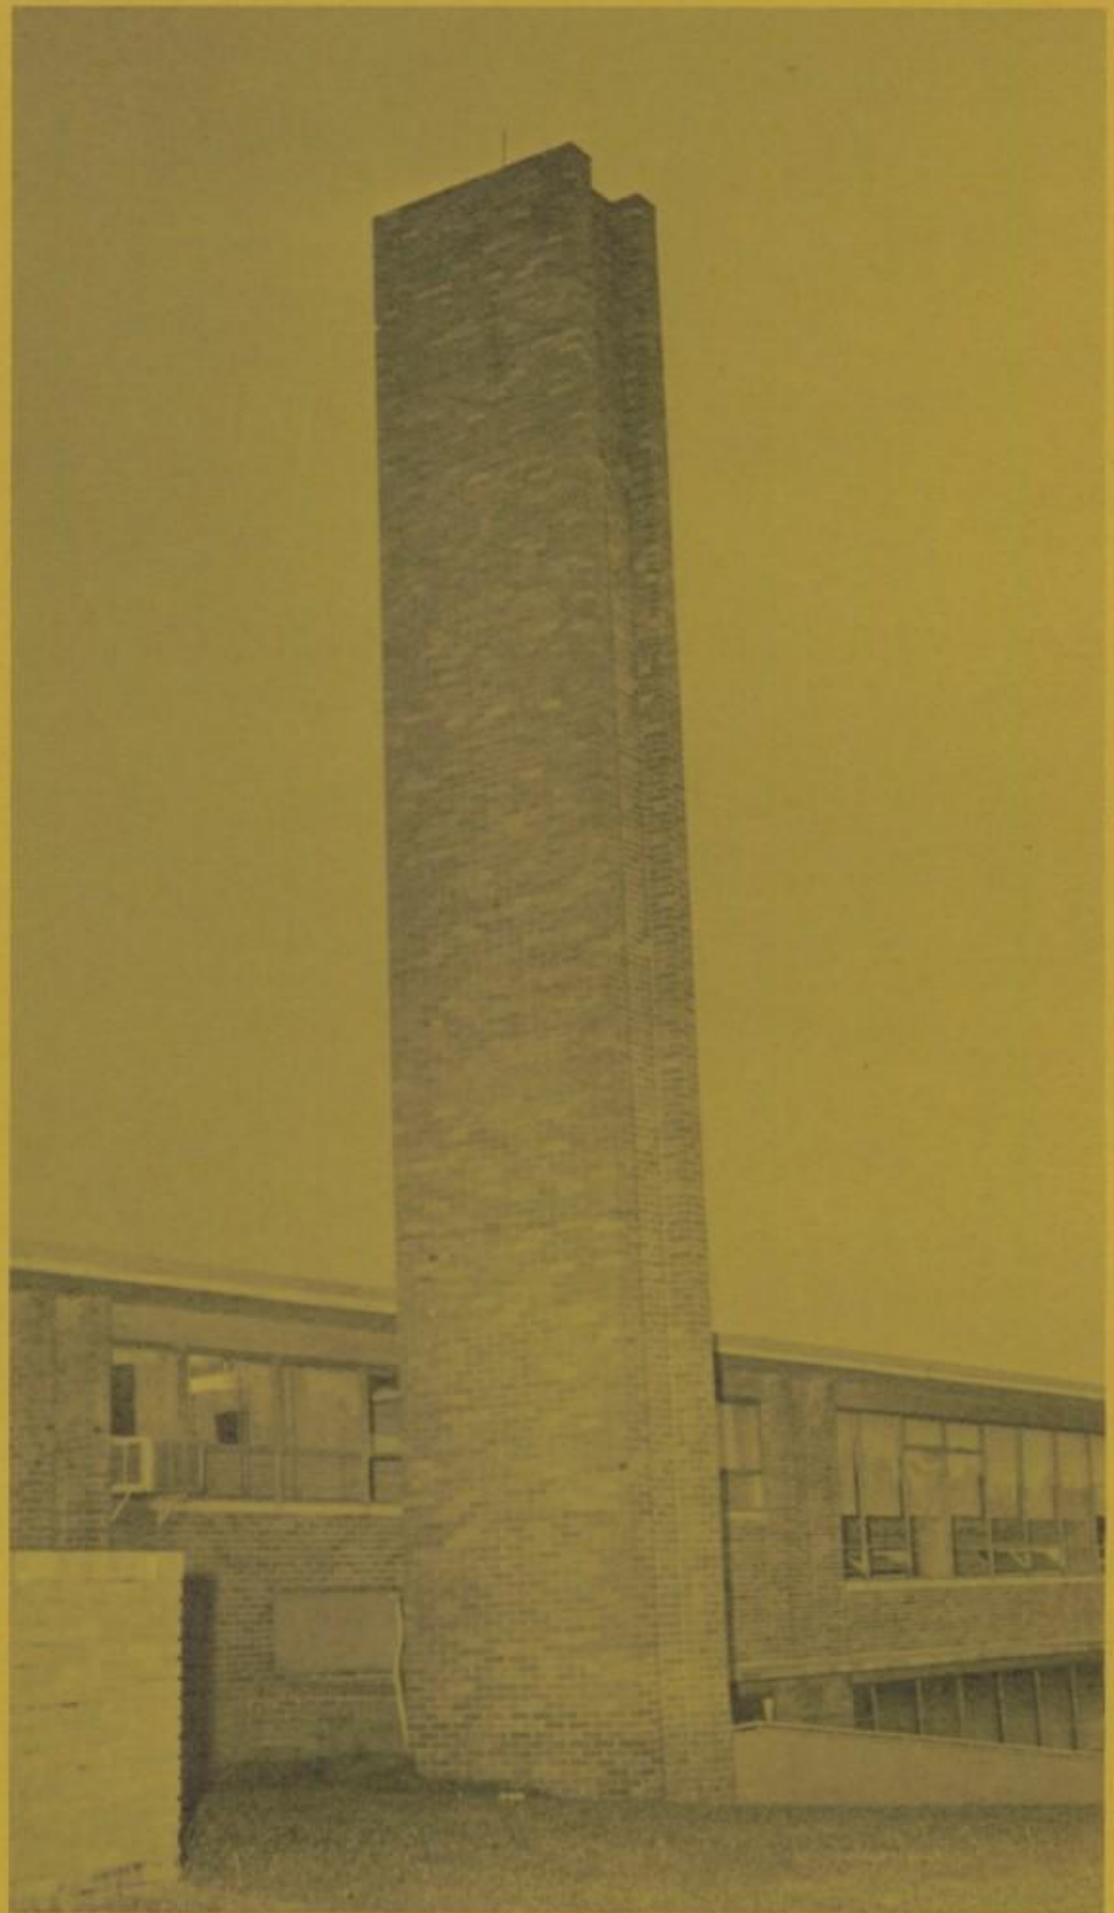

CHORUS

Chesnee High School, thy dear name

Deep-graven on each heart

Shall be found unwavering true,

When we from life shall part.

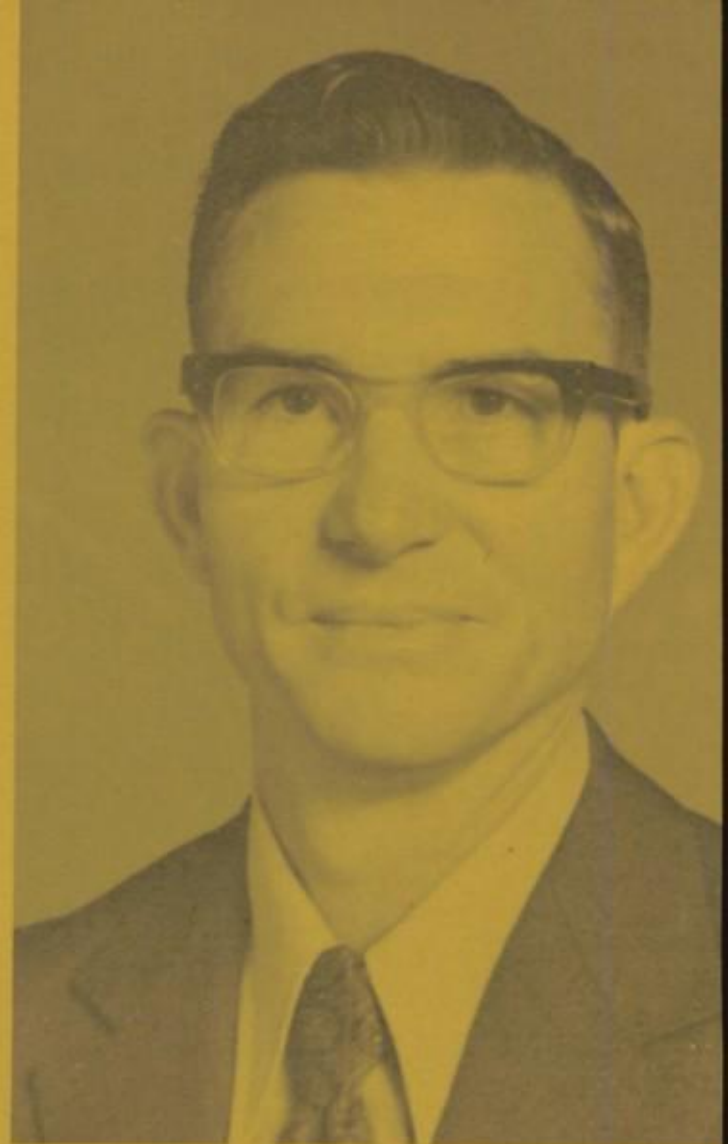

Dedication Mr. Dan Bostic

Being a man of true equity, he discloses fairness in all he attempts to do. He sees each student as a significant individual; therefore, he treats each student impartially.

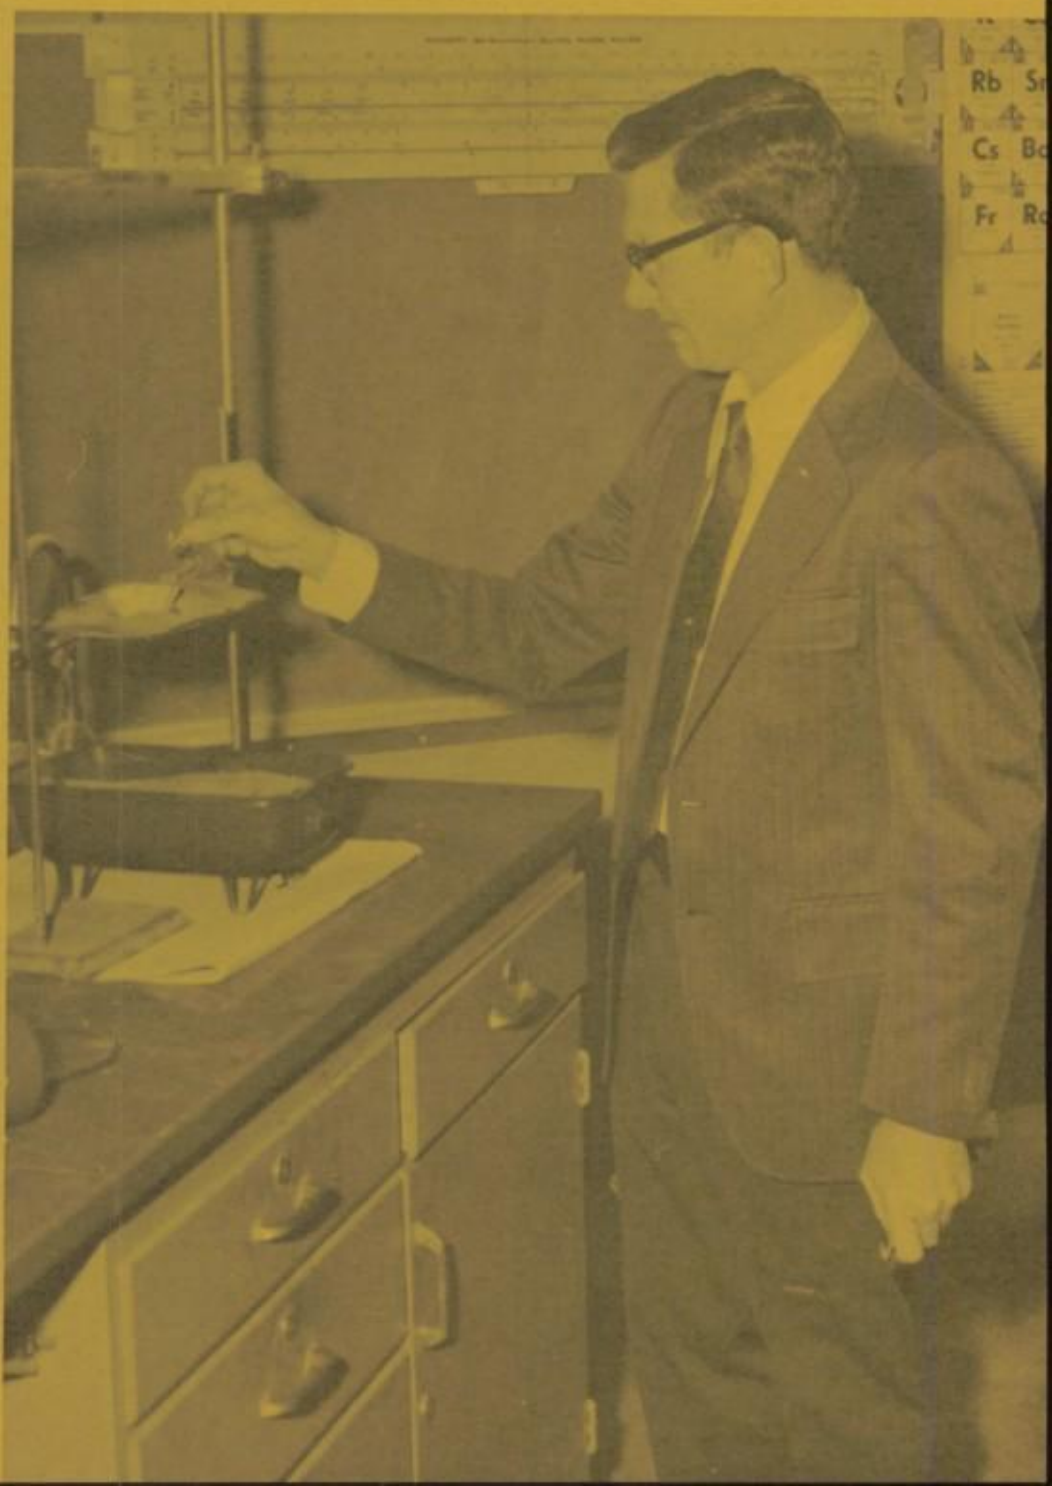

Being a man of great intellect, he strives diligently for perfection in everything he undertakes. His intelligence and clarity are portrayed by his work.

Being a man of firm Christian principles, he lives a life of virtue, daily endeavoring to set a good example for his family, friends, and students.

We, the Senior Class of Chesnee High School feel honored to dedicate the 1973 EAGLE to a man of such remarkable character.

Mr. Dan Bostic

Attn: Miss Libby Brown
Dear Miss Brown,

It was certainly a pleasure and experience in choosing beauty queens for Chesnee High School. It seemed almost impossible to judge on beauty alone without knowing something of each contestant. Through the help of my staff members, we managed to select the one who would best represent each category. The decision was a difficult one because some of the contestants placed equal with both runner-up and first place winners. In a sense they are all winners since they were nominees of each position. I hope my decision has been satisfactory to everyone because I feel I have chosen the best one who will represent each position well.

Sincerely,
Dan Janer

Student Council

The Student Council consists of members elected by the student body.

The duties of the Student Council are to be responsible for decorating bulletin boards, planning assembly programs, and to sponsor dances. During the Christmas season the Student Council collects money and toys for needy families. This is a worthwhile project.

Above all, the Student Council tries to set a good example for the entire student body. We appreciate all that they do.

Sharon Cash, Maid of Honor

This year Chesnee High School held their Homecoming on October 27, 1972, in a downpour of rain. The Eagles fought hard in the rain and mud, but still lost to Great Falls. During halftime ceremonies Miss Terri Snyder was crowned Homecoming Queen. Miss Sharon Cash was announced as Maid of Honor.

The Class of 1962 held their ten year reunion in the school cafeteria. All the members seemed to enjoy seeing old friends once again. The music was provided at the dance by the "Receptionists".

Some Guys Need 6 Months to Say Goodbye

You've earned the right to some time of your own. Time to spend with your family and friends over the holidays. Time to tie up loose ends.

But, wouldn't you enjoy it a lot more if you knew what you'd be doing next year? Today's Army can arrange it. With our Delayed Option, you can enlist today and report within the next six months, depending on the job training course you choose.

Then, step into a whole new future. Job training is the skill you want, along with free meals, housing, clothing, medical and dental care and 30 days paid vacation each year. A chance to meet new people, travel, mature.

ASK YOUR ARMY REPRESENTATIVE ABOUT OUR DELAYED ENTRY OPTION.

Today's Army wants to join you.

EPILOGUE

The tense, final seconds of a close ballgame, the joy of victory, the growth of old and new friendships, laughter shared over a Pepsi at recess, the friendly smile of a teacher, and the genuine concern to help by the faculty have all been a part of everyday life at Chesnee High School. The EAGLE Staff and I have tried to capture these things within the pages of this yearbook.

This year has been filled with much hard work and fun. I have truly enjoyed every minute of putting the '73 EAGLE together. I would like to express deep appreciation and gratitude to the following: to Mr. Painter for his understanding of our problems and to the faculty for their patience on picture day; special thanks to Mrs. Garrison for her loyalty in times of need and her careful guidance of all we did; to Margaret who has helped me with the task however large or small it may have been; to Kaye for alphabetizing all the class sections; to Danny for his assistance on Sports; to Susan for her artistic layouts; to Ladell who was willing to aid in any way possible; and to Debby for doing the typing. I would also like to thank Mr. Max Gee who took all our pictures and was so cooperative and helpful. We deeply appreciate the advertisers who have made the publication of our yearbook possible by their support.

In closing, I sincerely hope the "beginnings" we have tried to capture this year will remain vivid in your memory for "truly each of us has only just begun to live".
